1. I appreciate the use of the interesting Fine Arts Commission sponsored Smithsonian exhibit for the recent Family Visitation Day. The feedback I have received indicates that the day was a total success. The response was excellent, as indicated by the attendance at the five presentations in the auditorium, and I believe a good time was had by all.

2. The Smithsonian exhibit added much to the 1D corridor display area, and I am sure added to the overall success of the program. Again, many thanks.
